for a special evening of celebration and reflection

with CASA Co-Founders Nadine Goodman & Alejandro Gonzalez

Thursday, June 11, 2009

6:00 PM – 8:00 PM

670 West End Avenue 17 D

(93rd between Broadway and West End)

CASA is a Mexican nonprofit that serves 80,000 people each year. CASA's ground breaking projects include a traveling youth peer counseling program providing reproductive health education and family planning in rural communities, a maternity hospital, affordable day care, environmental and radio programs, and Mexico's only government-accredited midwifery training program. CASA empowers its constituents with knowledge and opportunity. It is a highly-regarded organization in the US and abroad.

- **Meet other community members and philanthropists and hear Nadine and Alejandro speak about their 30 years of ground breaking work in central Mexico.**
- **Watch a moving 5-minute film about CASA midwife graduates investing in their communities.**
- **Become a NYer for CASA. All donations at all levels are needed and appreciated, and are tax-deductible.**
